**Dear Educator,**

Thank you for your interest in joining JDM Agency as a dedicated dayhome educator within Alberta. Our agency welcomes individuals who take pride in providing safe, nurturing, and purposefully organised home-based environments. We support all educators in meeting the regulatory expectations required by Licensing standards, and offer structured guidance, monitoring, and professional encouragement to help you deliver a high standard of daily care.

As an educator with JDM Agency, you will receive clear assistance, regular compliance visits, and supportive oversight designed to strengthen your practice. Our approach values professionalism, warmth, and respect, with learning through play, purposeful play, and educational activities presented as enjoyable experiences that contribute meaningfully to each child's development. Your strengths, creativity, and commitment to caregiving form an essential part of the quality that families rely upon.

You will be part of a community that upholds excellent standards of safety, confidentiality, and nutrition, while maintaining calm, well-organised routines. Communication between families and educators flows through the agency to ensure consistency, transparency, and supportive solutions for everyone involved. If you require further information, you may contact us by email.

*Warm regards,*

**JDM Dayhome Agency**
